ISV CERTIFIED FOR OPTIMIZED
PERFORMANCE AND RELIABILITY.

Designed for professionals who need superior computing and productivity that only a workstation can provide at an entry-class price point, the Lenovo ThinkStation E30 delivers high performance, solid reliability, and ISV support for a seamless, cost-effective transition from a standard desktop PC.

The ThinkStation E30 also delivers breathtaking graphical performance. A new generation of Intel® HD Graphics delivers ISV-certified performance for select processors. For customers who want the ultimate discrete graphics performance, NVIDIA® Quadro® and NVS discrete professional graphics deliver enhanced 2D and 3D horsepower that will maximize their productivity. The ThinkStation E30 is equipped with Error Correcting Code (ECC) memory to virtually eliminate memory-related failure. With support for up to 16GB of 1333MHz ECC-memory, the ThinkStation E30 is lightning-fast and dependably stable. In addition, the ThinkStation E30 has been tested and certified by leading ISVs, including AutoCad, Adobe, Inventor, SolidEdge, and SolidWorks.

The ThinkStation E30 is simple to use with the addition of usability and security features. Lenovo® Enhanced Experience for Windows® 7 offers faster boot and shut down versus competition. Self-encrypting drives, the Hardware Password Manager, and Rescue and Recovery offer the software and hardware protection essential for data safety. At desktop-level price points, the ThinkStation E30 offers you sheer professional processing power, reliability and security, with ISV certifications to drive your mission-critical applications.

LENOVO ENHANCED EXPERIENCE FOR WINDOWS® 7. FAST. SECURE. BUILT FOR BUSINESS.

Discover a better way of doing business with the new Lenovo Enhanced Experience for Windows® 7 on Think PCs. Faster, more durable and greener Think PCs are optimized for Windows® 7 to deliver improved ease of use. It enhances productivity and foolproof security that your business cannot do without.

Lenovo® recommends Windows® 7 Professional.
